Call us today to maximize your new Windows 7 PC purchases - it's a limited time offer!

* While supplies last. Offer available to accredited education, government, and healthcare institutions, which (1) are located in the United States, and (2) purchase a minimum of 10 PCs preinstalled with a licensed version of genuine Windows 7 Ultimate or genuine Windows 7 Professional from an eligible Microsoft OEM Partner between April 1, 2011 and September 30, 2011. Offer and redemption valid only in the U.S.

Eligible purchases must be redeemed within 60 days from the date your redemption code was sent or by October 31, 2011 whichever is sooner. Offer is valid only for eligible purchases entered into the Offer reservation system and activated by the participating Partner within 7 consecutive days of your purchase. In order to qualify for this offer, you must submit to Microsoft the attached gift letter signed by an authorized representative of your organization by the redemption deadline. For the purposes of this gift letter "representative" shall mean (1) for education institutions, the District Superintendent of your school district, and (2) for government and healthcare institutions, the responsible ethics officer or agency's/institution's responsible attorney. For redemption details go to microsoftmore.com.

Limit of 250 qualified PCs per entity. This offer may not be combined with any other free hardware offer. Hardware warranty and service is the sole responsibility of the hardware manufacturer.

Taxes associated with any of the hardware offers are the sole responsibility of the hardware recipient. Participating Partners are not authorized to redeem this offer on behalf of their end customers.
